

Empowering Opportunity from Coast to Coast

Spectrum is a leading broadband connectivity company offering its suite of advanced communications services to approximately 70 million homes and businesses across 45 states.

Supported by our 100% U.S.-based customer service, we're driving innovation and growing economies from coast to coast and in communities big and small. From 2021-2025 alone, Spectrum invested more than \$51 billion in U.S. infrastructure and technology – contributing significantly to the nation's economy.

Every day, we work to deliver on our core business objective: providing high-quality, competitively priced products with outstanding service.

Spectrum's Acquisition of Cox Communications

Spectrum completed its acquisition of Cox Communications on August 19, 2026. The combination creates an industry-leading internet, mobile, and video services provider offering quality service.

The acquisition expands Spectrum's service area significantly, including adding:

- + 4 New States
- + ~6M Residential Customers
- + ~11M Residential Passings

SPECTRUM'S EXPANDED FOOTPRINT

Superior Products & Services

Spectrum Internet

- Spectrum Fiber Powered Internet delivers gigabit or faster speeds and consistent performance across our entire footprint with no modem fees, no contracts, and no data caps.

Spectrum Voice

- Spectrum Voice offers unlimited calling to the U.S. and its territories, Canada, and Mexico.

Spectrum Mobile

- Spectrum Mobile delivers fast, affordable, and reliable service to our customers from coast to coast—including nationwide 5G with no extra fees.

Spectrum TV

- Spectrum has the price and content flexibility needed to deliver high-quality cable and streaming video packages that meet different viewing preferences and budgetary needs.
- Customers who subscribe to a traditional cable package now receive programmers' streaming apps at no additional cost- a retail value of more than \$125 per month.

Spectrum News Networks

- Spectrum provides 24/7 news, sports, and weather coverage, along with *In Focus* public affairs programming on more than 35 local news and digital networks and nationally on the Spectrum News App.
- Spectrum News is ranked consistently among the country's most unbiased media outlets.

Helping Close the Digital Divide

Rural Expansion: Our multi-year rural construction initiative is driven by **more than \$7 billion in private investment** from Spectrum and will ultimately add an additional **100,000+ miles of fiber-optic network infrastructure** and deliver **multi-gigabit speed internet** access to **more than 1.7 million new locations** across the country.

Low-Income Assistance: Spectrum has helped millions of low-income families and individuals get and stay connected to the internet, and we're doing our part to help ensure quality service remains in reach for every household, regardless of income.

Improving Adoption: To increase adoption and access to technology, we offer philanthropic support to community organizations that provide computers, digital education classes, and technology labs for thousands across the country.

Investing in Our Employees

All employees earn a starting wage of **at least \$20/hour** with access to **Spectrum's robust benefits**, which include:

Supporting Our Communities

- ▶ **Spectrum Digital Education** grants offer financial support to nonprofits offering digital skills training and access to technology to help connectivity enhance lives in the communities we serve and where our employees live and work.
- ▶ **Spectrum Scholars** awards qualified rising juniors in financial need a \$20,000 scholarship with the long-term goal of professional development and the potential for future employment opportunities with Spectrum.
- ▶ **Spectrum Employee Community Grants** are given to community organizations nominated by Spectrum employees who volunteer with them as a way for us to recognize our employees' devotion to the communities where they live and work.
- ▶ The **Spectrum Community Investment Loan Fund**, in partnership with select community development financial institutions, supports small businesses that improve economic opportunities and quality of life in the communities we serve.
- ▶ **Spectrum Community Center Assist** revitalizes community centers and invests in job training programs in rural and urban communities across our footprint. As of yearend 2025, the program had revitalized more than 60 community centers, serving nearly 60,000 local residents with training and outreach.
